Dates:

12/14/2020 – Middle School Practice Begins

1/5/2021 – SHS first match

1/9/2021 – SHS firs Home match

Treasurer's Report: Revied the final numbers from the Cornhole Fundraiser. The fundraiser had a \$4,529 profit. The profit and loss statement with dates of 7/1 – 11/18/20 was submitted with a Net Income of \$4646.90. The 2020-2021 Budget was proposed and approved. John Cooley motion the approval of the budget. Stacey second.

Josh: 45 kids have signed up for Youth wrestling with the majority in 4th – 6th grade. The ICWL has been cancelled.

Tony: Season opens for high school on 12/7 and 12/14 for middle school. The Boyertown Athletic website has the schedule posted. Post season wrestling is still up in the air. Parent night via zoom went well. Wrestling will be shutting down all practices from 11/25 – 12/6 and opening back up on 12/7/2020. Senior high practices will be at the BTC. Plans to have Tuesday and Saturday matches. Hydration certification is happening now. Sign up for a spot.

John: BBMD's have been cancelled. The teams that normally attend have stated that they will look forward to next season.

Bridgette Wise: not in attendance.

Julie Wilde: not in attendance.

Trace/Josh: BTC had a leak that came from the upstairs girl's bathroom into the wrestling room. Nothing of ours got wet but we should be thinking about the mat and the drains. Also, the parking at the Ambulance Building bays must remain open for emergency calls that the department receives. Boyertown Wrestling Club (BWC) was proposed as the new wrestling club name. All were in favor of the change. A meeting may need to be scheduled with youth and the school to discuss room plans based on the ever changing COVID pandemic.

Kelly: Is unsure of having a Calendar this year due to the uncertainty of the season and how it will go.

Wendy: Requested that Bridgette send out another blast regarding the script fundraiser. She is hopeful that maybe with holidays coming up more orders would come in. She made containers for receipts and Trace put one at each location. This could be a challenge to collect right now with COVID and parents not being able to come into the wrestling room. The good thing about this fundraiser is that receipts can always be taken there isn't an end date with this fundraiser.

Mike L.: Will add the wrestling schedule to the BAWA site. The Steering committee met regarding the post season. District I is still on. They are looking into different ideas to run this tournament as safely as possible.

Motion to close meeting at 7:59 p.m. Stacey proposed John second.
